Sir,

Subject.- Re: the grant of 12 feet of land free of cost to the Vokkaligar Hostel, Hassan.

In forwarding herewith the records relating to the free grant of 12 feet of land applied for by the Superintendent of the Vokkaligar Hostel, Hassan I have the honor to state as follows:-

Forwarded With Compliments
Deputy Commissioner
Hassan District

2. The Superintendent, Vokkaligar Hostel at Hassan applied on 26th September 1936 for the grant of the remaining extent of 15 feet of land behind the said Hostel building for purpose of constructing a latrine and a compound wall. On referring to the previous papers it is seen that there was an extent of 40feet of vacant land behind the said Hostel building in the Krishnarajapuram Extension on the side of the Bangalore Mangalore road; and the Hostel authorities had their own site for the construction of a Hostel building. They urged the necessity for an additional extent of Municipal land to construct a decent building. The Municipal Council sanctioned the free grant of 25 feet and 3 feet of land out of the 40 feet of land to the whole length of their building site, as per resolution

dated 30th April 1932 and dated 25th February 1933 respectively. Thereupon the Hostel authorities constructed a building which is wanting in a latrine and back yard.

3. The Superintendent applied on 26th September 1936 for the free grant of the remaining 15 feet of land behind the said Hostel building. The extent which is available is only 12 feet of land to the whole length of the building, and the subject was placed before the Municipal Council in their meeting held on 28th November 1936, and the question was referred to the Health Committee for their inspection and opinion. They inspected the spot on 12-12-1936, and recommended the grant of the spot on certain conditions viz., (1) that the waste water of the Hassan Club building as also of Vaisya Hostel building site should be allowed to run by means of closed drain in the premises of the Vokkaligar Hostel building.(ii) that the owner of the adjacent site should have no objection to the grant of the lane to the Hostel in question (iii) that the plan of the new compound wall to be approved by the Municipal authorities.

4. The above recommendation of the Health Committee was placed before the Municipal Council, and they resolved that if the party is prepared to abide by the conditions laid down by the Health Committee this land may be given to the Hostel free of cost. A copy of Resolution No.246 dated 26th December 1936 is herein enclosed for kind perusal. The Superintendent of the said Hostel, in his letter dated 31st December 1936 states that he is agreeable to abide by all the three conditions. The sketch and other papers accompany.

5. In these circumstances I request that necessary sanction of Government for the free grant of an extent of 176' x 12' sq.ft. of land as per resolutions of the Council may kindly be obtained.

I have the honor to be,
Sir,
Your most obedient servant,

President,
Town Municipal Council,
Hassan.
